The Embassy of Nepal presents its compliments to the Ministry of Foreign Affairs of the Socialist Republic of Viet Nam and has the honour to inform the latter that the Ministry of Health and Population of Nepal has started issuing COVID-19 Vaccination Certificates (CVC) to its citizens as a proof of vaccination against COVID-19 for foreign travel purpose.

The Embassy has further the honour to inform that the CVC issued is unique to every individual and contains information about personal details as well as the details about the vaccination. It also contains a QR Code verifiable through a Web Portal (<https://vaccine.mohp.gov.np/public-request-form>). The certificate is hosted on a secure platform and revokes on regeneration.

The Embassy would appreciate it if the esteemed Ministry could communicate the aforementioned information and the enclosed CVC sample to the relevant authorities of Viet Nam.

The Embassy of Nepal avails itself of this opportunity to renew the Ministry of Foreign Affairs of the Socialist Republic of Viet Nam, the assurances of its highest consideration.
